

KÄRCHER

makes a difference

TURN TOWARDS GREATER PRODUCTIVITY

Easily guide this 18-inch scrubber anywhere with its unique steerable scrub deck.

Steer your way to faster results.

The big brother to our popular BR 35/12, our BR 45/22 brings even more productivity to our innovative steerable scrubber design. This machine has a larger tank and an 18 inch cleaning path that equates to a 30% improvement in productivity over the BR 35/12. It is easy to transport and handle, and features a long-lasting lithium-ion battery.

1 Innovative, steerable scrub deck

- Steerable scrub deck allows for best in class maneuverability
- Easy to operate and easy to move from job to job
- Lithium-ion battery provides long run times and flexibility to opportunity charge

2 Thoughtfully designed

- Ecoefficiency mode saves resources, extend the running time and makes the machine quieter
- Easy operation due to color coded controls

3 Productivity in mind

- Dirty water drain hose for easy dumping
- Increase productivity with built-in pre-sweeping
- On-board charger allows for charging anytime, anywhere
