

# Meet Harley.

Don't be fooled!  
He's one tough customer.  
To handle his hair and mess,  
you need a tough washer and dryer.

You need **CROSSOVER.**

## Cleaning up hair, blankets, and towels is a messy job.

Now there's **CROSSOVER** – the world's ONLY small chassis washer and dryer built tough for long life and to handle the demands of your facility.

- 🐾 *Uses 60% less water than a top-load washer*
- 🐾 *Faster drying - up to 15 minutes less drying time per load*
- 🐾 *Up to 25% lower utility costs in the dryer*
- 🐾 *Dependable, rugged operation*
- 🐾 *Last more than 3x longer than appliance-type equipment*
- 🐾 *Extended Warranty – up to 10 Years\**

We offer a full-line of equipment to meet all your needs, saving you time and money to get back to what's most important - taking care of our furry friends!

## It's time to **CROSSOVER.**
