DESCRIPTION

Fast-drying hand sanitizer that's perfect for when you're on-the-go and aren't near soap and water. Meets both the Center for Disease Control (CDC) and the World Health Organization (WHO) recommendations for being effective against COVID-19.

- Convenient roll-on application
- 80% alcohol formula
- Manufactured with USP grade ingredients.
- Dye-free and contains no perfume
- Aqueous solution
- Proudly made in the USA

DIRECTIONS

Roll onto hands only. Place enough product on hands to cover all surfaces (including nails and between fingers). Rub hands together until dry. Securely fasten cap to prevent evaporation or leakage.

Always read and understand the product label before using this product. Supervise children under 6 years of age when using this product to avoid swallowing. Do not use in children less than 2 months of age. Do not use on open skin wounds.

STORAGE

Store between 15-30C (59-86F). Avoid freezing and excessive heat above 40C (104F).

PACKAGING

3 OZ. (88.7 ML)

WARNINGS

For external use only. Flammable. Keep away from heat or flame.
