

Hypoallergenic

The pH adjusted formulation of proprietary ingredients promotes healing of rough, flaky, oily, or irritated skin.

Calming Scent

Lavender has long been known for calming and mood-lifting effects on animals. PetSuds contains just the right amount of lavender to promote a mood-lifting experience following bathing.

Biodegradable

All cleaning ingredients are made from regrowable vegetable-base raw materials, which are readily biodegradable.

Ingredients

Tea Tree Oil, Lavender, Geranium, Cedarwood, *Probiotics* for digestive health, and numerous other proprietary ingredients to deeply clean and condition your dog's hair coat.

Non-Ingredients

Sulfate Free. Contains no synthetic perfumes or dyes. This product does not contain soap (fatty acid base), sodium lauryl sulfate, cocamide or lauramide, DEA, sodium laureth sulfate, polyethylene glycols (PEG) or other ethoxylated surfactants, propylene glycol, or EDTA. This product does not contain any animal ingredients.

PRECAUTIONS:

Avoid contact with eyes. Product is intended for use on coat and skin only. Flush thoroughly with clean water if eye contact occurs. Keep out of the reach of children. If swallowed, please consult a physician.

About PetSuds

PetSuds Premium Pet Shampoo is a **veterinarian formulated**, hypoallergenic blend of enhanced ingredients to deeply clean and condition your pet's hair coat, while also promoting digestive health through its special blend of added *Probiotics*.

What are Probiotics?

Probiotics work to promote digestive health and maintain digestive balance. By replenishing and maintaining healthy intestinal flora, harmful microbes are naturally reduced. As dogs occasionally groom themselves and lick their paws, the act of self-grooming allows intake of these beneficial microbes, thus contributing to a healthier gut.

Instructions for Use:

For use on dogs only. Shake well before using. Wet your pet's coat. Using a few palm-fulls of PetSuds shampoo, lather thoroughly into coat and rinse. Keep out of eyes. Reapply for increased lather and effectiveness. Rinse. May be diluted ten-parts water to one-part shampoo if desired.
